DEAR SANTA CLAUS...

The magic of the holidays is arriving in Washington Township, and Santa Claus is eager to receive letters from local youth! Through an exclusive seasonal partnership with the Washington Township Recreation Department, a direct pipeline to the North Pole will be open from November 23 through December 23, 2026. Children are invited to share their holiday wish lists by submitting their letters to Santa's official red mailbox, situated at the Recreation Department headquarters at 50 Rock Road, Long Valley, NJ 07853. Submissions can be sent by mail or dropped off in person.

In addition to the mailbox collection, young residents can deliver their notes in person during a special visit from Santa Claus at the Jolly Jamboree on December 12, from 3:30 PM to 5:30 PM. This festive gathering offers families a delightful opportunity to celebrate the season and share their holiday wishes directly with Santa.

To guarantee delivery before Santa departs for his Christmas Eve journey, all letters must be deposited in the mailbox by 2:00 PM on December 23. To learn more or ask any questions about the festivities, feel free to give the Recreation Department a call at (908) 876-5941 or send a message to recreation@wtmorris.net. Here's to a wonder-filled holiday season for you and your family!
